AIU

AIU means Amp It Up. One AI workspace to find leads, build websites, write ads and plan videos. Describe what you want, then refine it with plain-language prompts.

Plans

AIU

An AI module that finds businesses with weak or missing websites, builds multi-page sites, restyles them from a prompt, and writes ads and video scripts. Includes a sales pipeline and ready-to-post listings.

AIU+

Everything in AIU, plus a 1:1 setup call to plan how your site and your paid search ads (PPC) work together, so your ad copy matches the pages visitors land on.

AIU Basic

$20/mo

Full AI module, 20 AI requests per day

Choose AIU Basic

AIU Pro

$50/mo

Everything in Basic, 100 AI requests per day, priority email support

Choose AIU Pro

AIU+

$100/mo

Everything in Pro, 300 AI requests per day, 1:1 setup call

Choose AIU+
